Membership: Sign Up

You sign up as a member by filling out the registration form. This form will be presented by a representative of VoCASA (SeS). If you want to play volleyball, want to coach a team or want to become a referee, you need a good similar passport photo of yourself. On the back of the photo you write your name and date of birth. You can drop off the completed registration form in the red mail box Board ('Bestuur'), next to the informationboard near the entrance of the VoCASA-bar or send it directly to vocasa@planet.nl

Logout as member can only be done by letter, addressed to the administration of the association. This should be done before the 30th of June. Relay changes of the personal information, address, phone or email to the administration so the administration will be up to date at all times.

Player card and digital passport photo

After the registration by the registration form, you will receive a relationship code from the administration. Hand in a passport photo (mail or send it to the Secretariat).

Volleyball at VoCASA

You play volleyball together with others, on the field and off the field. Being a member of VoCASA means that you contribute to the development of others, whether you are a player, referee, director, volunteer, trainer or coach. Members of VoCASA work - in addition to their own competitions and training sessions - as a trainer, as a referee or in the organization of the club. And everyone helps with setting up and clearing fields, with flags and counting at competitions and with financial campaigns such as collecting old paper, participating in the Zevenheuvelenloop and the Grote Clubactie.

Code of conduct VoCASA

VoCASA believes it is important to actively apply and propagate rules of conduct in order to prevent the crossing of boundaries.

1. I accept and respect the other as he is and do not discriminate. Everyone counts within the sports club.
2. I take into account the boundaries set by the other person.
3. I don't bother the other person.
4. I do not harm the other person.
5. I do not abuse my position of power in any way.
6. I don't make mean jokes or comments about others.
7. I don't ignore the other.
8. I will not participate in bullying, ridicule or gossip.
9. I don't fight. I don't use violence, I don't threaten the other, I don't bring weapons.
10. I do not come too close undesirably and do not touch the other person against his or her will.
11. I do not give the other person unwanted sexual attention.
12. I don't ask inappropriate questions or make unwanted comments about someone's personal life or appearance.
13. If someone bothers or harasses me, I ask him or her to stop. If that doesn't help, I'll ask someone else for help.
14. I help others to also comply with these agreements and address those who do not comply and report this to the board if necessary.

Membership

The membership starts at the moment the registration form is closed. You will receive your relation code and then your player pass from the administration as soon as possible.

Clothing

VoCASA members must wear official competition clothing during competitions. For seniors and ABC youth, this kit consists of trousers and a shirt that are loaned by VoCASA. You pay € 20.00 per year for this. This amount is part of the contribution that is collected by direct debit.

New members can visit the supplier to try on the clothing.

The clothing coordinator (volleyballsupport@vocasa.nl) checks whether the clothing is in stock and assigns a back number. The CMV youth plays matches in a simple mini-shirt, which can be purchased from the supplier.

To cancel

If you wish to terminate your membership, please submit a completed Unsubscribe Form, in writing or by email, to the secretariat before June 30 of the current season. You can download this form from the site.

If you cancel after July 1, you may owe part of the contribution for the new season.
